CAPE  
COUNTY

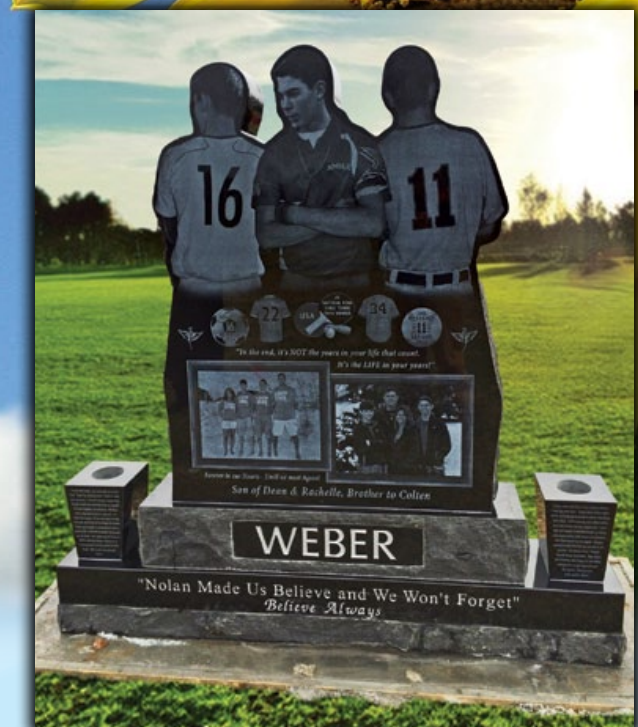

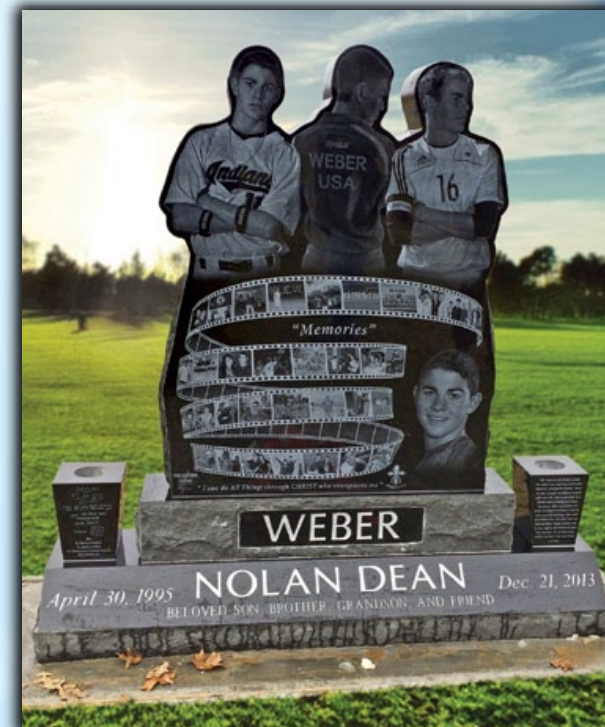

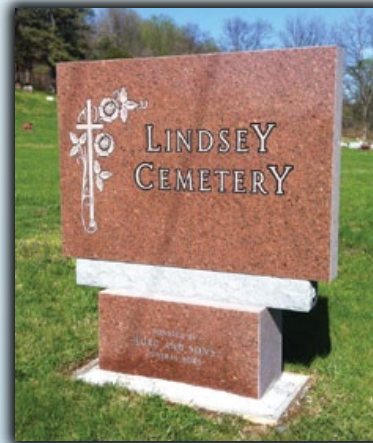

Nuclear Imaging Suite

DEDICATED JANUARY 22, 2009

In Memory of  
Alfred A. Lertz  
President & CEO  
1980-2008

Mr. Lertz became president of Johnson Memorial Hospital in October 1980, a 76-bed facility, which was the only entity in what became known as the Johnson Health Network. He gave tirelessly of himself and through his vision and leadership, developed a health network which provided quality care for those living and working in Stafford and surrounding communities.

Customized awards, trophies, donor walls, corporate plaques, dedication plaques, military memorials, retirement plaques, sports recognition, commercial signs, directional signs, site branding ... the possibilities are endless!

# Trigard<sup>®</sup> BRONZE

## Bronze Memorials

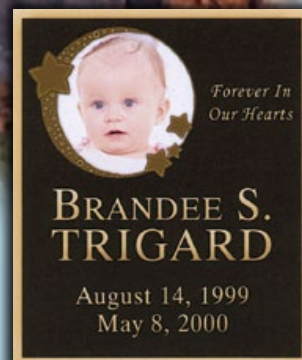

Every life is different. So, too, are our memorials.

When a simple yet elegant memorial is needed, the Portrait Series is the preferred choice. The Portrait Series is ideal for crypt and niche uses and offers choices in the area of color and texture which create a beautiful and vibrant memorial.

If a traditional memorial is what you are after, the Classique Series is for you. Trigard Engraved Bronze offers the appearance of traditional bronze memorials finished in a dark brown with oxide highlights. Choose from a variety of ornate frames to complement your memorial.

It is our sincerest hope that Trigard Infant Memorials can provide you with one last opportunity to lavish your little one with all the love possible. Select from our library or let our design team transform your photographs into a loving tribute.

We understand the importance of properly memorializing a life. So our goal is simple: we want to provide you with the finest crafted, longest lasting, and most beautiful bronze memorial available in the world today.

Our Remembrance Medallions are ideal additions to existing memorials and crypt fronts.

The durability of bronze makes medallions ideal for headstone applications where cemetery equipment could cause damage to porcelain or ceramic pieces.

Our technology adapts perfectly to urn fronts for those opting for cremation. Photos can be engraved directly on the front of the urn and will last forever.

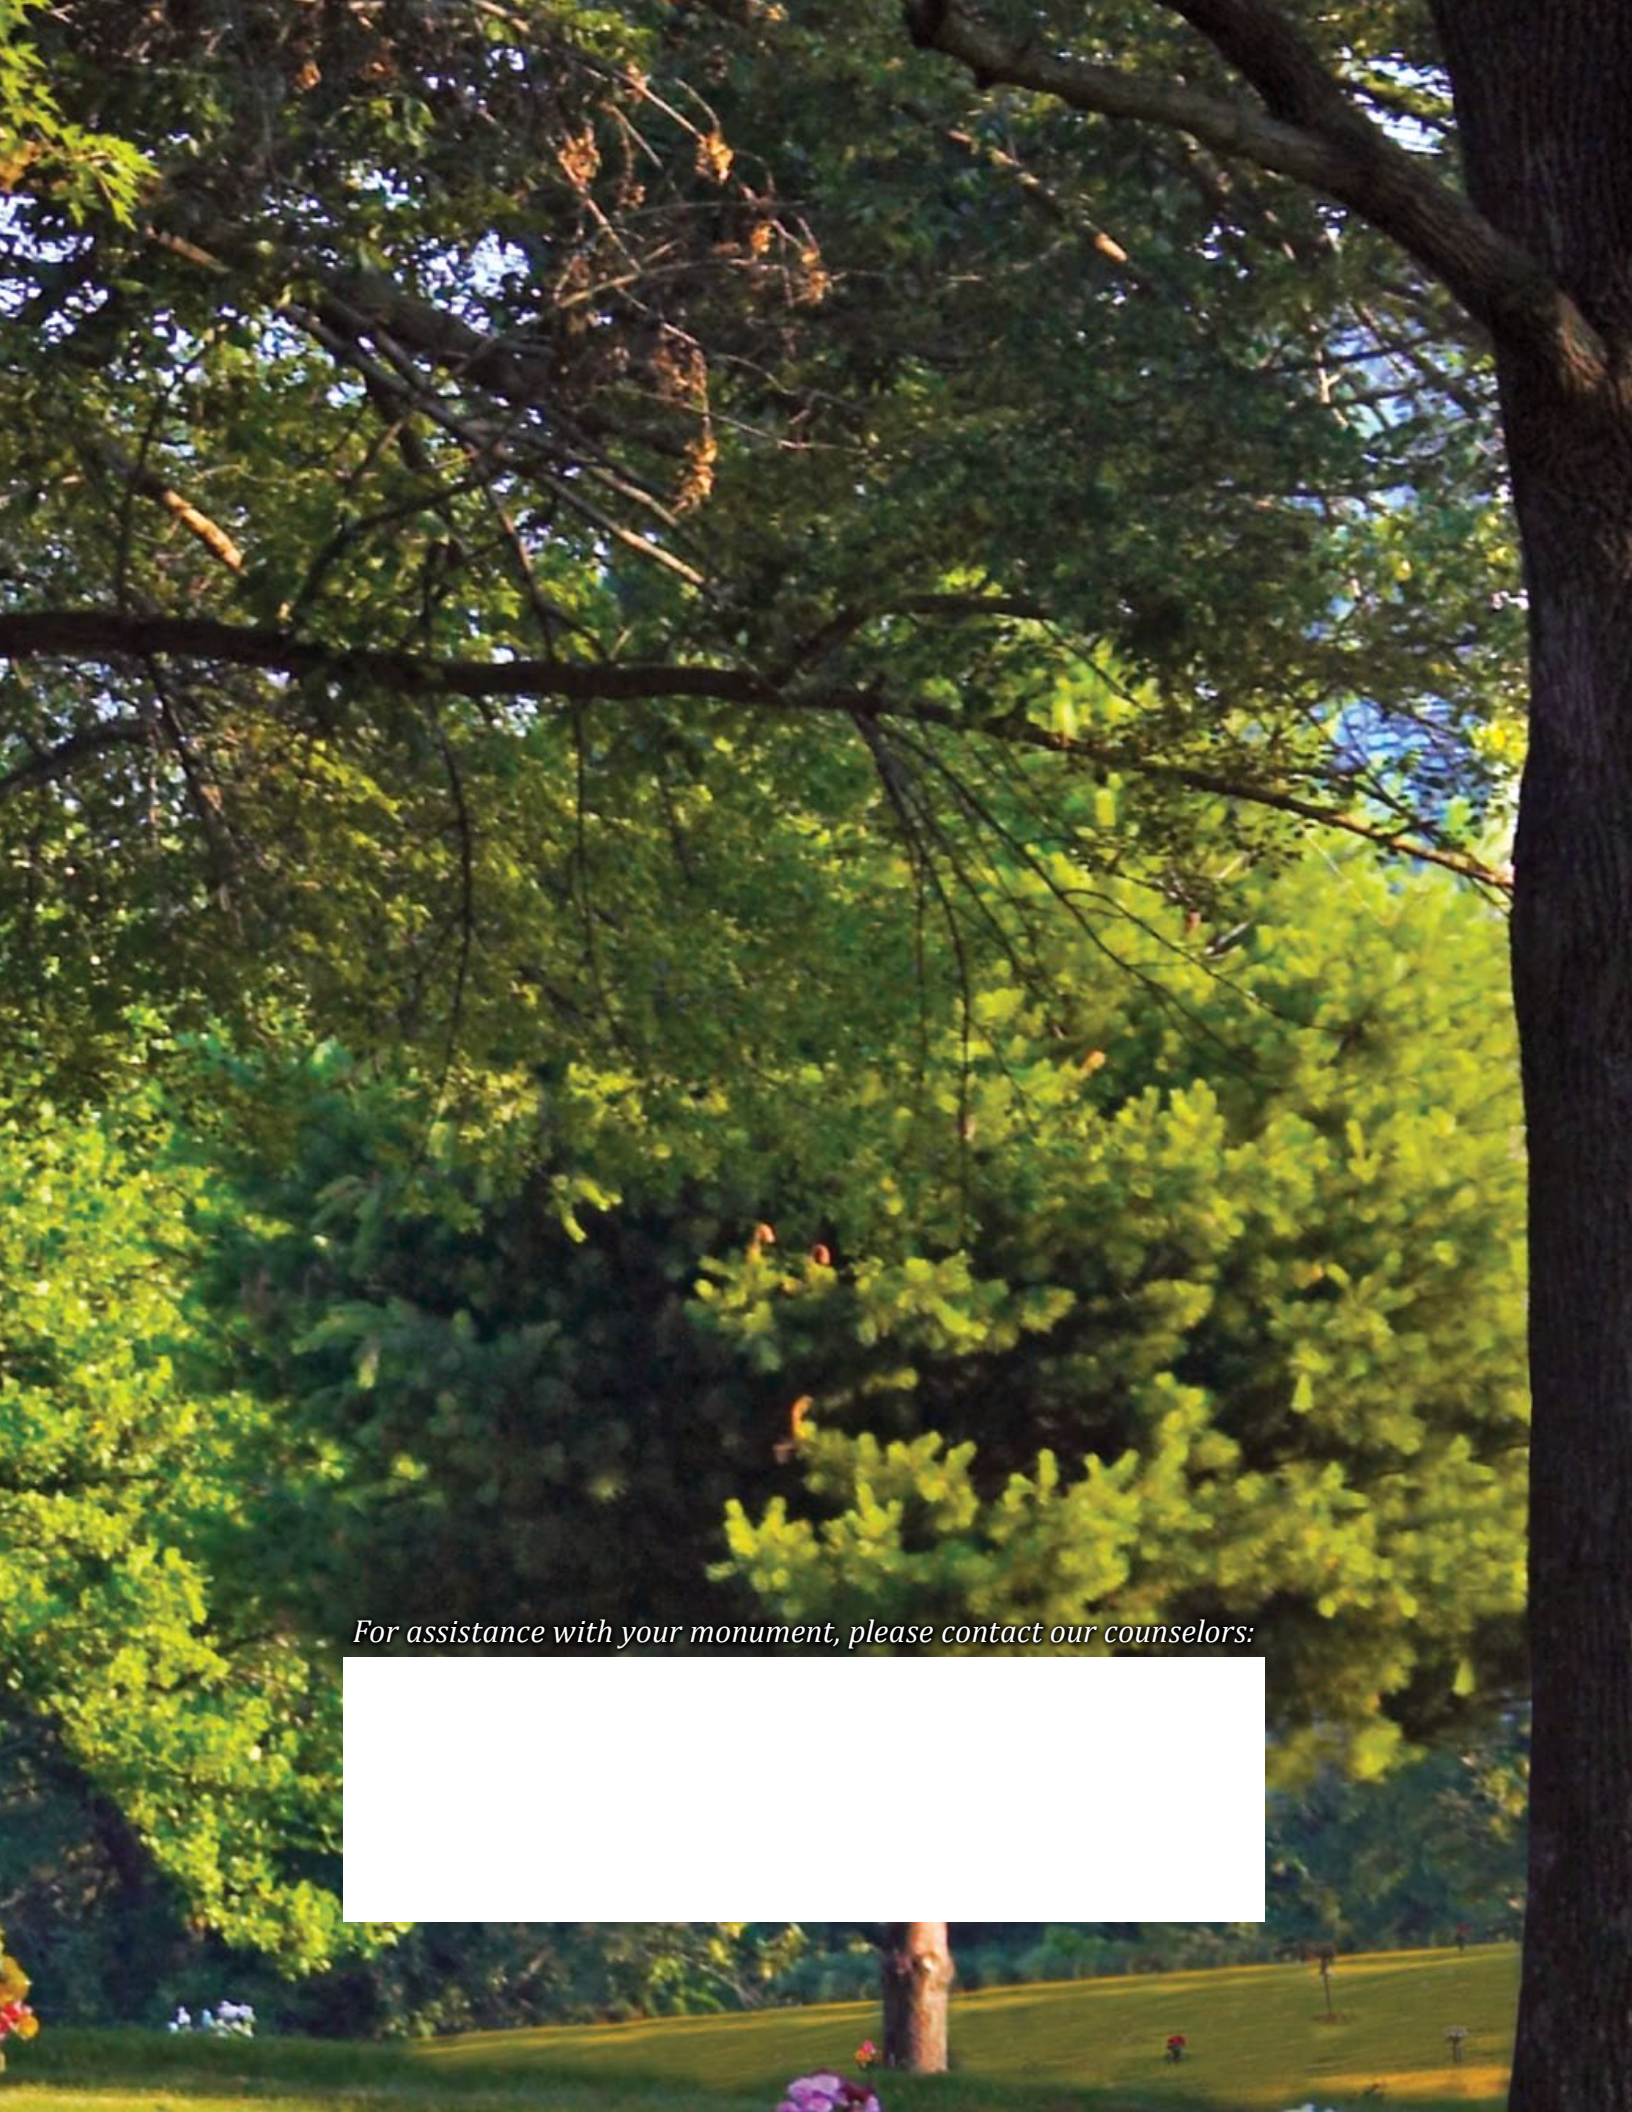

Vase openings are now an option in all Trigard Memorials. Trigard offers beautiful coordinating vases to enhance your memorial.

They are our most trusted friends, our faithful, loyal companions. When their dear lives are over, why not honor their treasured memory with a dignified and truly special, unique tribute that shows all that they meant to us? The Cherished Companion Series by Trigard offers unique personalization in customized bronze pet memorials.
