“ Aaron & I spoke briefly each time he came to the Kramer farm to sow, weed, or harvest. I am blessed that Covid forced me to be on the farm for a year. Aaron was always so sweet & polite. We watched the Drone spray the wheat field - I think we were both a little impressed with the technology...I know he loved his german shepard - I didn't know the doggie's name.

*I am so sad for your loss - may God Bless You in your healing - may the Lord give you & your family strength.*
