“ Aaron, tomorrow is the anniversary of the day you said goodbye to this world.

Today is a kinda normal day around here. Everything is going smoothly enough. Your cousins miss you. Joe finally straightened up lol. I bet you where wondering when huh?

The only thing missing in life is you. And Grandpa. We miss him too! But when you left us, it left a big hole in everyone's heart an emptiness that we have tried to fill in various ways. Im really proud of the way that it didn't destroy the strongest people it just made them gentle and maybe tender hearted. Dont get me wrong they are still fierce like a lion when need be. Well. Sweetheart I hope your a peaceful in arms of Christ the Savior and the Creator. I hope to join you one day. Hopefully when its my time, you will be waiting for me with Grandpa Mike to introduce to the Heavenly Father, wouldn't that be a dream come true? RIP 🕊️ 🌸

“ Aaron, This beautiful song 🎵 reminds me of how hard it was to say goodbye To you. I know we didn't get the chance to know each other really well but I know you were a good kid with a good heart. Its so sad and that you had to go so soon. I wish we'd had more time.

We'll be missing you 😞 because when we are standing ☐♀ in the sunlight we'll think of you for sure. A little ray sent from heaven ✨ above. Love you and miss you dearly forever Aaron 🧡💜

*There's so much that I would say, if I could see you one last time  
But now I can't 'cause you're not here but you're always on my mind  
I look up when you're not there, when I lie awake at night  
All these things I ask myself, I don't why  
When it's the first time that you'll never see someone again  
When it's the last time you weren't ready for it end  
Whenever I leave you standing alone there in the dark  
They're never easy but sometimes, goodbyes are so hard  
They're so hard  
I look ahead, but can't move on, I look back but I can't stay  
I keep tryin' to be strong, but there's pain it won't go away  
I hope this will heal in time, 'cause I can't go on like this  
And right now I would give my life for one last kiss  
When it's the first time that you'll never see someone again  
When it's the last time and you weren't ready for it end  
Whenever I leave you standing alone there in the dark  
They're never easy but sometimes, goodbyes are so hard  
You'll be there on my mind, standing in the sunshine  
When it's the first time that you'll never see someone again  
When it's the last time and you weren't ready for it end  
Whenever I leave you standing alone there in the dark  
They're never easy but sometimes, goodbyes are so hard  
They're so hard*

“ Aaron, your light still shines bright. You were and still are an angel in my eyes. Your still dearly loved and missed here. You being with the Heavenly father watching over your family is the greatest blessing we could 🙏 ask for, in a place we all hope to reach one day if we are worthy enough and believe me you were beyond ❤️ worthy of your angel wings. I love you Aaron.
