“ *I'm so sorry for your loss and wish I could be there for the funeral; since I now live in TX, you wouldn't want me there due to COVID. I've thought of Aileen often over the last few years and how much of a 'doer' she was, always doing her best. She often stayed ridiculously late at work; I tried making her leave on time, but as you can imagine, she didn't. Much love to you and she will be missed by all of us. Thanks for sharing the pictures - a really lovely tribute. Hugs, Nancy Palazzolo*

“ *I'm very saddened to hear about Aileen's passing. I worked very closely with her at Ascension and always valued her dedication, work ethic, and friendship. It was tough to see her retire, but we were all glad to know that she would be able to spend so much more time at home. So sorry for your loss. Mike Daiber*
