“ *Lowell Dreyer was a kind soul. My son, as a toddler, crawled into his lap at the first time he met Lowell. His bother Kenneth misses him. Covid has prevented family get togethers. Sad parting. Edna*

Lowell was such a kind person years ago when driving the smts bus. He picked my mother up for dialysis 3times a week. He was so good to her - always helping her. She didn't like it when it wasn't him ! I know God will have special blessings waiting for him.

Lowell was indeed a kind and caring person! He picked my father up for dialysis driving the SMTS bus. I know he gave extra effort after dad's dialysis treatment making sure he got back into the house ok. God got a super servant here. RIP! Robert Pecaut Jr.
