“ Linda and families,
My most heart felt sympathies to you all.
Alida was a hard worker and always ready to share her garden things or help in anyway she could. She had a heart of gold and we shared lots of days and fun together. It was always a happy day when we were together. I will miss her forever but I am so happy she is enjoying being with her Lord and Saviour. How happy she must be!

“ Linda and family,
My heartfelt sympathy with the passing of your mother into Heaven. She was a spitfire to the end. I thought about her often. Those days on the rehab unit will live in my memories forever. We would reminisce about the past. She would tell me how she got to hold me when I was Baptized and had the biggest smile on her face. She will be missed but knowing she is in Heaven with my parents is so good to know. Wesley Mangels

“ I knew her father because he was my sponsor in 1942. I use to visit her brother Ruben on the home place before he moved to a nursing facility. You have our sympathy in this time of sorrow. God bless you.

“ *Linda and Family,
My deepest condolences to you all. Alida was a lifelong friend of my entire family. I personally enjoyed her blunt conversations where you never knew what was going to come out of her mouth. It was always a good time with many laughs. She surely was a good Christian role model here on earth and now she is celebrating eternal life with her Lord and Savior in heaven.
Sincerely,
Kevin Gruenwald and Family*

“ Linda, your mother was a great lady. I believe she made the coffeecakes for my nieces wedding reception (both Gina and Tiffany Haertling). I am the oldest of Norman and Verna Haertling children. I believe she helped Mom when my sister Linda Schoen was little. She also may have worked in Grandma Haertling (Hertha and Edgar) strawberry field. Grandma would have second cousins help her. She are a great lady, Sharon (Haertling) Rosenberg.
