“ I always enjoyed talking to her when I was there doing feed business with Harold. I still remember her quilting frames in the house when she was working on another masterpiece. She had to be a special wife and mother. Her earthly journey is over but she has reached her great reward.

“ My sincere condolences to all of Aunt Alma's family. I treasure the beautiful quilts your mother made for me, I am grateful for her. She was a terrific person to have as an Aunt and am missing her already. We connected by phone thru COVID when I began to call her on a weekly basis. We laughed a lot on those calls. It was as comforting and healing to me as it was for her. I remember staying with Doris as kids over July 4th weekends and all the fun we had. However, I don't remember when she babysat me as an infant, but she kept me safe! May she rest in peace now and have a great birthday celebration with our risen Lord Jesus!

“ My sincere sympathy to you girls and families. My big sister was very special to me. We had so much fun thru the years, fishing, dancing & playing cards and swinging on the front porch swing. Her beautiful quilts were like no others, and i will treasure the ones i have made especially for me or for my family. She was an awesome lady and will be missed so much, love , Gladys
