“ To Buddy's family, Along with my mom, Aline Valleroy, we send you our love, thoughts and prayers. Buddy had a real heart for God and a real gift for bringing joy in this world! May it bring your hearts comfort knowing that he is now seeing the face of God! He truly made the world a better place!!! I will always be thankful for the warm concern and caring service he gave to my mom when it came time to work on her car. Like many others in town, Mom was always greeted with his warm and gentle smile. I will remember Buddy with a mass here at St. Joseph's. Blessings of peace...
