“ We wanted just one more get together to enjoy a meal and the many laughs we always shared. Now Anna is bringing the cousins back together but we won't be able to talk to her and hear her sense of humor in our conversations. We will miss you, dear Anna. We know the Lord has you in His strong hands and that a consolation for those of us remembering you and filling our hearts with all the memories of our times together. Our lives were blessed by you.
