“ *Jeri, Paula and Carla we are saddened to hear about your Mother. As you know she was one of our dearest friends, we have so many good memories of your mom and father. We have shared a lot of happy events with your family. She also was a faithful employee of Meyer Bus Line and supported us during our time in business. We know these last three years were very hard for her but she was a trooper. She will be truly missed. We loved her and considered her a member of our family. Our prayers are with you and your family during this trying time.*
