“ *What a great picture to share and to remember Barb! I spent many a time sitting with Barb on that swing just chatting away sharing stories. And oh the stories she had! I can still hear her infectious laugh! I have so many memories of the good times we had.....they will never fade away!*

Both Barb and Dale were great people! They showed me, my children and my grandchildren how to work hard but make it fun, how to live life to the fullest, how to laugh and how to love!

I miss you both but I know someday we will be forever neighbors again!

To the family....you are all special to me as well! You have my condolences but more so you have my deep appreciation for sharing your loved one with me!! Much love to you ~Regina Nuyt~

Condolences go out to the kids and the rest of the family and friends that Barb made throughout the years because like one said she had that one contagious laugh let's keep it alive! RIP Barb
