“ *I am so sorry for your loss. My heart sank when I heard all that you guys were going threw. Ben reminded me a lot of my grandfather, the strong silent type but you knew when he meant business . On the flip side he was funny and could tell some jokes. He will truly be missed. Prayers and love to you all .*

“ *Wilma Esselman & Mike Bemis,
You have my sympathy at the death of your brother and Uncle Ben. Being an active member of Hope Lutheran Church, I assume his faith in Jesus as his Savior led him to eternal life..
My concern is for Mike whom I met often at Short Stop who was very friendly to me. I was also the elder attending his daughter's baptism by Pastor Otto. Yet his mother Wilma told me Mike is not well. I pray for him and hope he also looks to Jesus also for eternal life. ,
