“ *Betty's smile and laugh will be in my memories. Betty was a compassionate teacher with a "firm hand" with her high school students. Betty's teaching legacy will live on through her students' lives. I was among her teaching peers who respected and admired her teaching skills. Betty's love of her family is her greatest legacy. May your Christian faith comfort you. Rita Weber*

“ While Betty and I were high school classmates, I didn't really get to know her until she worked for my parents at Bob's Donuts. She had such a wonderful sense of humor, and I loved to hear her laugh. The world will be a bit emptier without Betty in it.
