“ I remember Parker being so excited to play with Bolden when he was at Shawn’s on the weekends. He taught Parker how to properly kick a soccer ball. I think we still have pieces of Bolden’s train set he handed down to Parker in our attic. He was such a sweet and respectful boy.

“ I wasnt as close to bolden like alot of people were. But one thing I knew for sure about bolden waa that he was a great kid. He may of had his good days and bad days but one thing for sure was that even on his bad days he was always there for his friends. He was a wonderful kid with so much life ahead of him. Ik I wasnt his friend or even his best friend but I still knew him and it still hurt to know that he passed. He was a kid with a life ahead of him and it was way to soon for him to go. Bolden always know you are gone but will never be forgotten. Another beautiful soul taken from this world way too soon. We love you bolden and we will all most certainly miss you. GIGE HEAVEN SOME HELL. REST EASY BUDDY.

“ *We only knew Bolden for a short period of time but he was talked about many times in our household. We loved how friendly he was, every time we were outside he would wave or come over to talk about the truck. We sure miss hearing his truck fire up or seeing him outside with Luke. He will be missed by many, including us. -The Orfs*
