“ I remember being at Bonnie's house and Stan was working and Leanne was asleep on the floor. Bonnie saw a mouse and started panicking. We both jump onto the sofa. Then the mouse got near Leanne. Bonnie grabbed the broom and went after the mouse. Unfortunately it got away.

Bonnie was a great friend and I will miss her dearly. I loved her laugh and her smile and love of life. Leanne, thinking of you and all your family during this time.
