“ My sincere condolences to Kristine and her family. I met Miss Bonnie years ago at her florist shop and thought she was so kind and special. She made gorgeous arrangements! Years later, I had the privilege of meeting and working with Kristine and found her just as lovely as her grand mother. May God grant you peace and comfort during this time of sorrow. I am quite sure Miss Bonnie is arranging floral works of art in heaven!

“ I believe Bonnie and Jerry were next door neighbors of my mother. My mother baby sat for their baby who I believe was Tina. Sincer sympathy to the family.

“ *My sweet, beautiful sister Bonnie,*

You left us on Saturday, and my heart is broken. You were more than a sister—you were my second mom, my friend, and my safe place. I will forever cherish our lunches at Josephine’s Tea Room, our laughter, and the joy of hunting for the perfect gifts for Tina and Jill. Those little traditions meant the world to me because they were ours.

I loved you so much, and it’s hard to imagine life without you here. But I take comfort in knowing you are now home with Mom and Dad, Craig, Robert, and David. I can picture them wrapping you in their arms as you walked through Heaven’s gates.

I will miss you every single day, Bonnie. You will always be in my heart.

*Love,
Debbie*
