“ *I have worked with Ms. Brenda for 12 years, she will be missed. She always had a way of putting a smile on your face everyday you would see her. Brenda was funny, sassy and always wanted to be on the go. The staff and peers at Southwest Community Services will miss her terribly. Sending prayers to Brenda's family and friends. Joe' Albright*

“ I, too, worked with Brenda for many, many years, and will always remember her sweet smile and the “strong “ hugs around the neck and kisses on the cheek, she loved watching the home movies her thoughtful family thought to make for her, she’d sit and watch them and get so excited, I know she remembered her home and family. It was a pleasure getting to know her family as they truly were all great to know and always thought of staff with homemade cookies Joyce made for us staff at Christmas time, and she truly enjoyed the car rides with mom and dad and getting to enjoy the chicken nuggets, fries and coke afterwards! I’m happy to have made friends with her family and Brenda will always be in my heart, and thank you Harolyand Joyce for always being kind to me , you’re in my heart and prayers. Wendy Cameron

“ I also worked with Brenda. She was such a silly, ornery and strong willed woman. She could definitely make a bad day turn good with one little smile or silly thing she did. She was loved by so many of us at Southwest Community Services. She will be missed by so many. Until we meet again Boo just know you are truly missed. My thoughts and prayers are with her family at this very sad time.
