“ *Never got the chance to meet Brett but know he was wonderful because of how his children talked about him. And he did marry my niece, Becky, and made her very happy so that made him a good man. Love this family so much.*

“ Our deepest sympathy to Brett's family. We have known them for many years in many different ways. Brett's grandmother, Geraldine use to teach me at our one room school and I can remember when he was born how proud she was.  
Brett's mother, Brenda took care of my family for years with their gas at the farm and their homes. Then my daughter, MaKayla had the pleasure of dancing with Brett's daughter, Molly at The Dance Center for years. The family is an awesome family and we are so deeply sadden for your loss. Brett always had the biggest smile since he was a little boy. God Bless all of you through your great loss. The Huber Family, Joe, Cindy (Richardet), MaKayla and Grant.

“ Allen and I were stunned to hear this news.  
Becky, Molly, Sarah and James, we are so sorry for your loss. Brett was a good man, always pleasant, ready to lend a hand and the times we chatted it was easy to tell how much he loved his family. We are in DeSoto now but please know you will be in our thoughts and prayers.

“ *Brett was one of my students at Meadow Heights. I had not seen him since I left there years ago. He was very bright and served as our school representative for a district spelling match in Sikeston when he was in grade 6. We were still out at the old Sedgewickville building that year. My sympathy to his parents, wife, and children.*

“ *Brett and I used to date. I remember when he worked at the Intersection Auto Shop and I would stop it and we would go to lunch. The guys would pick on him about the two of us "doing lunch" ;) what a riot!*

*He was such a good friend and great guy!*
