Brynlee was an unwavering ray of sunshine. She brought joy, hope, unconditional love and a warm welcome to everyone she met. She loved to acknowledge you with a beaming smile, a finger point, a high-five or "knucks". She showed a fondness for those special to her by giving them cute nicknames and giggly greetings when she saw them. Brynlee's earthly time was shared with countless incredible medical staff. Her energy and positivity was contagious, lending strength and happiness to all of those who cared for her. She adored her amazing and strong "bubbies". She loved cats, milk, her blankies, books, music and dancing. Brynlee's strength through her battle was an inspiration to all who knew her.
