“ *I was able to meet Fr. Schulte at the Catholic Center in downtown Kansas City for his book signing of his work, Mary's House in Ephesus; Tan Books, North Carolina. For Fr. Schulte to have studied Sister Marie de Mandat-Grancey's life and work and then for Bishop Robert Finn to be asked by the Archbishop of Smyrna, Turkey to handle Sister Marie's Cause for Sainthood is Providential. I serve on the tribunal for her cause and Fr. Schulte's book is a great help in this work. Pray for us Fr. Carl.*

“ *Uncle Carl, What a tremendous life you lived, with God by your side guiding you each and every day. Nancy and I feel fortunate we were able to visit with you the last couple of years when the Diamondbacks came to Kansas City to play the Royals. I know the visits were brief, but we took an awful lot out of them just being with you. Your body had slowed, but your mind sure hadn't. I know how supportive and concerned you were when my mother got sick and passed a year ago. You and I talked quite often on the phone, and we still appreciate all the prayers, rosaries and masses you offered in her remembrance. And then when I received the call from Gail that you had left this world - to the exact day my mother passed, October 29, 2011 - that sent a chill through my body. You're in a better place now to love and serve The Lord (you managed a big jump on all of us in that category). Thank you for being a big part of our lives over the years. You married Nancy and me in 1973, baptized our son, Scott, in 1980, and presided at my father and your brother Bill's funeral in 1996. We'll always remember you and the fun times we had over the years. May you rest in everlasting peace !Your nephew Greg, along with my wife Nancy, son Scott and daughter Stephanie*
