“ *What wonderful memories I have of Carol and her famiyy. I first knew Carol through bowling and then when she married Bob, who was good friends with my husband Loui in the business community, Then came the farm group, five couples who became close friends, and watched our families grow into adult hood, enjoying many parties and family gatherings . Carol was a very strong woman, very kind and thoughtful, excellent roll model to her family, and a genuine friend. She will be missed. My condolences to Brad and Julie and their families.*
