“*Heaven is singing she has made it home and there is no doubt she is free from pain and is rejoicing. She one of PCMH's best nurses with a loving smile and great bed side manor. Her smile and carrying heart was always the same no matter where you seen her. She loved her family and husband and serve her God with a full heart!! As our hearts ache missing her we must remember her mission as it was to bring people to faith and share God's love with them. Our family will sure miss you but we will hold our memories close to our heart and continue to follow God doing he work we are asked to do.*
