“ *I was saddened to hear of Charlene's leaving all of us to join her creator. She will be very much missed by all. We were childhood friends who spent many hours playing in the field behind our house every evening. She had so much imagination, loved horses and baseball. There was never a dull moment. My thoughts and prayers are with her family now. Be proud.*

“ Growing up , we would walk from St Boniface down to Charlene's parent's house ... Her mother took care of us for years.... I still cook some of her recipes..... The fondest memory is a little pedal.Fire truck coming down the sidewalk from in front of KC...down the hill
May the family find comfort and solace in their memories
