Tribute Wall

“ *Charley was a good friend of mine over some seventy years. We were classmates for six years at St. Paul's High School and College in Concordia, Mo. I have pleasant memories of the many good times we shared. I admired Charley for his "productivity" as an author in his retirement years. I enjoyed reading his books and learned much from them, especially about the Civil War era events and characters. Goodbye, Charley, rest in peace until we meet once again.*
