“ *What a special guy that I have grown fond of the last few months as we worked together to help him lose weight and get healthier. Every week he was feeling more positive and upbeat and less "crusty". He taught me something too about endurance and hard work no matter what and no matter the physical limitations he had. I am still in shock and very sad for all. His reward will be great. He was so proud of his children and lit up when telling me about them. So sorry for you Nancy and all the family.* Mary Etta Dunaway, RDCDE - his dietitian at Healthpoint.

“ Nancy, my sincere sympathies to you and your family. It has been many years since high school and reunions. Charlie was one of the good ones. He just had that way of stirring things up and I have many memories of him doing just that. I will always remember him laughing and joking with that silly grin on his face. Rest in Peace Charlie. We will miss you!
