“ *The family would like to thank all of you for the love and prayers that have been sent our way during this time. It has been such a blessing to hear story after story of how Mom has had a beautiful impact on so many lives and hearts. Mom was as supportive as she was tough- she challenged you to challenge yourself and set the bar higher, to exceed your own expectations. With grateful hearts,*

Katherine Johnson - February 17, 2017 at 12:00 AM
