“ Glenda and family, I am SO sad to hear of your loss. My condolences and prayers... It was always great running into Uncle Chuck in Schnuck's South County. He always brought a smile to my face with his wit and cheerfulness. FINALLY, everyone in Heaven will have the fried chicken they are worthy of and have been asking God for...as Uncle Chuck continues to bring smiles to faces.

“ Modde kin, So many great memories of Chuck, namely the corny jokes and resulting smile captured so well on this photo. He was always a pleasure to be around and made us feel at home when we visited. Our thoughts and prayers with you all; wish we could be there to revisit those great memories.

“ To Glenda & Family, Sympathy, love, and prayers being sent your way for you and your family. I've known Chuck for many years and he was always such a happy-go-lucky fella. I do remember baby-sitting the 3 older Modde kids and knew the family rather well. As you continue on your journey, I pray you find peace & comfort from all the good times you have shared. It's been said, 'death is also a cause for celebration of one's life', so I'm just sure you already know Chuck's party has already begun....especially with his mom & dad and family already there to welcome him. May God bless and watch over all of you at such a sad time in your lives. Much love, Elta
