“ *Very pleasant memories of staying on their farm when I was younger. I remember Clifford taking me to a stock car race which I think was in St Mary’s and the wheel on one of the drivers cars came off on the last lap and the tire rolled across the finish line. Clifford and Marylee were wonderful people. Enjoyed our visits at family reunions. My condolences to the children and grand children.*

“ Clifford was a classmate of mine and the grandpa a very special young man who I was fortunate enough to have worked with many years ago in Early Childhood. I will never forget his kindness and his generosity at homecoming, in providing tractors, wagons, and most of all his time in helping to make our homecoming plans move forward. Thank you, Friend, for being you! Condolences to his entire family! God Bless!

“ We are so sorry for your loss, but we know he is happy to join Marylee. MY first memory of Clif & Marylee was at their wedding where I was one of the bridesmaids. It was a lovely service and they were so happy.
