“ *I'm Scottys grandson Bill aka "B". He was the best man I've ever met or known in my 38 plus years on this earth. He was always loving, caring, and always had a smile on his face and always wanting to make people smile and laugh. He was an amazing grandpa. His little sayings will always stick with me in my memories as will everything he has done for me and our family, and all he taught me. Him and my dad were always my heroes. Pa pa Telle was an amazingly unique man, nobody could ever take his place in life. The faith in God he showed, the knowledge he had of life, the love, compassion, and forgiveness he had in life, was truly amazing and someone I always wanted to be like. I will forever miss him. I love you PaPa, you will always be in my heart and soul, and thank you for everything you've taught me, showed me, and for teaching me all you know about farts. Now you and dad can go fish off the docks in heaven and catch the biggest fish possible while ma ma gets lunch ready for ya. I miss you so much papa, love always and forever and thank you for all of the memories and things you taught me, "B"*

“ *To the family of Scotty:*

*Scotty was a great person to go with on Evangelism calls. He always knew what to say. In Bible Class he and Laverne always had something to contribute. We also enjoyed his stories from the old days and from working at the airport telling of the people he met there. May his soul rest in the arms of Jesus, his Savior, whom he freely confessed.*
