“ Grandpa's are special...and so is legacy!
Shaun, your grandpa was able to see 3+ generations of loving legacy and left with the peace of a job well done. That is a life well lived! And his legacy will live on through the love and kindness of your mom, the values they've instilled in you... of hard work and persistence, and the lives you will impact because of the example he lived. May peace, love, and wonderful memories be shared abundantly through this time of reflection. God Bless! The Grahams
