“ Our deepest condolences to each and every one of you. We had so many wonderful memories growing up in our little town Brazeau. When, we look back in time, it is amazing all the stories, laughter and most of all the love our town had for each other. The Barbers were a big part of our special times. Dan always had this cute little laugh, was always so nice and easy to talk to. May God carry you all through these trying times, sending our love to each and every one of you.
