Donna and family, I am so, so sorry for the loss of Danny. I absolutely loved Danny and you for your kindness and generosity to the people of Perryville. Danny and you always had a smile for both Lester and me and never failed to stop and chat. I said a special prayer for Danny every night. I guess God felt like he needed a rest from all his struggles. He is now in the arms of God and the angels and no more pain and suffering. I will miss Danny so very much! Please take care of yourself! Love you!
