“ Allen was one of the kindest and most helpful people I have ever known. He was a voice of reason for me on more than one occasion. I was very fond of him and considered him a trusted friend and guardian angel. I wish the family my deepest sympathy. Especially to his fine son and grandson, and a classmate, Nancy. I will never forget him.

There were several fond memories, but one that certainly stands out is the kindness that he showed to my whole family when he first off, sold me a special property, and then mowed the area fantastically (his son or grandson I suspect did the mowing) for the 2017 solar eclipse where family and extended family got to party on a great looking field.

*I'll miss you greatly Allen.*
