“ *My heart is shattered and I find myself speechless. Denise was my friend and although she said her goodbyes to me in a text, I thought she may have had a bit more time just so I could hug her one more time. My deepest condolences to her one and only love, Dave and her family whom I know she loved endlessly. Fly high my dear friend for you surely earned your wings. I love you*

“ I will miss you my beautiful friend. We were “kindred spirits”. I will cherish the time that I was fortunate enough to know you and call you my friend. My yard is full of reminders of you. You had so many gifts, and the biggest gift was your beautiful soul. Heaven just got a little brighter. Give Michael a big hug from me and make sure to save me a rocking chair next to you.

Dave, Elisha, and Denise’s entire family – I know words are never enough during this difficult time, hearts are broken. You are all in my thoughts and prayers.

With My Deepest Sympathy, Cindy
