“ *I just wanted to say goodbye to my Dad. My sister and I were with him for the past few months and he knew he was not alone. This brings a great deal of comfort to the entire family. He was well taken care of by Southeast Hospice and thanks so much to all the wonderful staff. We could not have done it without them, they are truly some of the most awesome individuals I have ever met. My dad did not suffer a great deal, thanks to hospice, and seems truly at peace. Good bless everyone who visited and kept him their prayers. His daughter Susan*
