David, my deepest sympathy to you and your family on the loss of your mother and grandmother. I had the pleasure of meeting your mother several times. I remember speaking with her as we stood in the crowd watching the Homecoming parade. She & I introduced ourselves after I cheered for 1992 float. She was very proud of you and I could see where your kindness and good nature came from. I will pray for you & your family as you grieve her loss.

Sorry to hear of the passing of Gary's cousin, Delores. She always had a big smile. Gary related that when he was young & his mom & dad (Loretta & Ray) would visit, Delores would have to watch over the kids.
