“ I am so sad and sorry to hear of Donnie’s passing. My niece Tina (Birkbigler, Krauss, Fadler) posted his obituary and I was taken by surprise. (I guess I have as many AKA names as she has...and one of them is Giesler...so my heart is breaking with all of you.)

*I heard from Darren and Angie that Donnie has been struggled with Cancer. I have way to many family members from that disease and I am so sorry to hear that you all have been dealing with this.*

*Kathy, I know what it is like to lose a spouse and my heart goes out to you. I know your heart must be breaking and the loss is difficult to even comprehend. I am sorry I never knew Russell . I also list my parents and I know that loss will never be replaced. I keep you both in my prayers. ❤️❤️*

*Don and Lucille, my parents always told me the worst thing they ever experienced was losing a child. Mom always said she was never supposed to outlive her children. I am so sorry for your loss.*

*Joe, Roy and Julie... I remember losing my sister and what a hole that left in my heart. They are the closest relatives you have. My deepest sympathy to you all.*

*Candyce, Kevin and Luanne... I suffered through my sisters heart break as she lost her spouse and I lost my favorite brother in law. May you have the strength to support your spouse as you all struggle through this loss.*

*I will always remember Donnie’s sense of humor and his smile and sarcasm! He was always very sweet to me. I always liked him and cared about him. I know he will Rest In Peace with all the love he felt from his family and the support you all will give to Kathy and Russell.*

*My sympathy to you all.*
