“ Jason, So sorry for your loss. I know from our conversations at work that he was going through a tough time. I hope you and your family can find peace and comfort in knowing he is in a better place with no more pain. Your dad fell in age in between generations of my mothers family (the Gus and Minnie Meyer family of Apple Creek) so I am sure that he must have known many of my Aunts and Uncles and cousins. Apple Creek (St. Joseph's) is such a small community I am sure some of my cousins were visiting last night or today. I am sorry I could not make it but know that you and your family have been in my thoughts and prayers. Greg
