My dear friend, things in life are so hard to understand. Why such a beautiful and good hearted person who has been through so much, had to die so young? I suppose He saw how you had suffered, and know that you are pain free and whole again. You now have your wings so you can fly to your loved ones and watch over them. Say Hi! to your Dad, Sandy, and my Momma, when you see her! And may all God's Glory be yours. You deserve it.
