“ *Donna has been a wonderful friend to so many of us who are associated with the International Association of Administrative Professionals. She was a faithful and active member and we will miss her so much. Our thoughts and prayers are with her family at this most difficult time.*

“ *Stanley and family, you have my deepest sympathies on the loss of Donna. You do not need me to tell you how wonderful she was. You know that better than anyone. She was a dedicated co-worker at Maritz and a loyal and caring friend. When she say something that needed doing, she pitched in and did it. She was so dedicated to you, her family. I know this is a terrible loss for you. Know that there are people who care about you and are praying for all of you. I was hoping to be able to make the trip to Perryville today but am under the weather with swollen eyes and a cough that is not stopping. So I am sending my heart felt sympathies to you instead.*

“ I knew Donna since 1976 and worked with her in one capacity or another for 30+ years. She was a wonderful person to work with and know. She is, and was, widely admired and loved. It was an honor to have known her. My life has been enriched by her beautiful soul. God has taken one of the best angels into his fold.
