“ *We were so sorry to learn that Aunt Dora had passed. We did not know for several weeks as Mom was very ill and unable to check her messages due to being in the hospital. Had we known Debbie or I would have come for the services.*

I pray you are finding peace in knowing she is no longer in any pain and rejoicing in Heaven with Grandma, Grandpa, my Dad and Donna - what a great Lancaster family reunion that must have been!

“ She was the best mom any daughter could ask for. She was always there for me and ready to help no matter what. I wasn't ready to lose her. She was an awesome grandma and loved her grandkids so much. I don't know what I'll do without her. But I have hope because my mom knew Jesus as her savior and right now she's with him. And one day I will join her and see her beautiful face again. She would want me to tell you that if you don't know Jesus as your savior, please, talk to someone today that can tell you how. Life is short, and we aren't promised another day. Then we can all be in heaven together one day. What a day that will be. I love you mom ♡

“ My grandma had many wonderful qualities, but the one that always stood out to me the most was her abundance of patience. She had a special way of overlooking all of my faults and loving me anyway. It didn't seem to matter what may be said about her or what negative may be said to her, she always remained calm and patient. This trait is something I strive for and hope to be just like her in that way one day. She was a wonderful grandma and she will be missed until the day I see her again.
