“ *Some very good childhood memories with Doris, Sue & the Brickhaus Boys!*
My favorites were sleigh riding on car hoods on the golf course. Someone would always get cut & we'd head for Brickhaus's bleeding for some motherly attention & we always got it from Mom, Doris or Sue. We were some real bad _____! I know she wasn't to fond of growing up with 4 brothers since they were the worst of the bunch. Why can't kids these days have fun like that? Sure it was very dangerous but you only live once.
My sympathies to the family 💕💕!
