“ Clifford and family,
I am so sorry for your loss. Your mom has always been so sweet to me since you and I were in high school together! I would see her out and about over the years, at the store, the post office, an auction and she always greeted me with kind words and a pretty smile and of course "all the news" Ha! Ha! She would talk of current events, the weather, and gave me good advice about gardening, canning and kids. But mostly she talked of her family and all that was happening in their lives. From what I could see she was soooo proud of her children, and loved her family dearly. She never once told me goodbye without sharing a good laugh! I have missed her. But, I am sure she is in heaven today spreading her cheer, kindness and laughter. God Bless you all!
