“ To the Family of Dotty Hagan, My sincere condolences. I am a better person today to have known Dotty. Thank you for allowing her to work & fly the skies and be with her Memphis family at Northwest/Delta Airlines. I had the pleasure to fly MANY trips with her. She spoke of you, Michael and her wonderful family & shared pictures of her grandchildren. However, I was able to celebrate her return to flying in her remission from cancer. She was happy to be back at work and serving other people. Serving meaning showing the love of God by unselfishly helping & caring for others. Wow! She showed light! On this trip back, we unexpectedly had to layover in Akron/Canton. We were able to go to the hotel early and the three of us have an early and leisurely dinner. We laughed & talked. Dotty told us about how proud & thankful to have you as her husband Michael. Also she gave insight in the care & love she received from her family during her illness. You could see the love in her eyes for all of you. I needed to tell you. She loved you all SO much and told us in her conversations! You should be proud of a wonderful mother & lady! I will miss her. We all will miss her! She has wings like eagles! May God's love & comfort sustain you during this difficult time.
