“ *Most work associates know her from Walmart but she was part of my dispatch crew at Houser Automotive and was always helpful and friendly. Heaven gained a genuine angel. Always got me good loads and got me home.*

“ Jean was one special Lady. She was always so dedicated, hard working, and fun-loving. She mentored so many young adults without them even knowing it. Jean lived life by her own rules. She never did anything half-way. I aspire to be like Jean. She will be missed.

“ Jean was a wonderful lady. She always put a smile on my face. She was one of the funniest people I know. She will be sadly missed by her Walmart friends.

“ Jean was very special to all of us that worked with her. Loved talking to her and watching her crochet in the breakroom. I was so Lucky to know her and to have her mile a minute blankets for my Great grandkids. Rest in peace Jean

“ Jean was my sporting goods associate for 7 years. She was my right hand lady. I loved her sense of humor and her kindness. We called her “Mean Jean” but in reality she wasn’t mean at all (unless you were a kid causing trouble!). She was a great lady who will be missed! RIP and prayers to your family.
