“ *Our hearts go out to you upon the loss of your beloved Ann. I am Charlotte and Louis Lopushansky's daughter and Ann Werner was our family's very dear friend. I haven't heard from her in a while and when I called her home last night, the operator said that the number had been disconnected. I feared that something had happened to her and reached out to her church, Trinity Lutheran and found out the sad news. She and Al were such wonderful friends of my parents and they so enjoyed working around the church and with the county gardens. My beloved Dad would always say, 'I'm right behind you, Annie!' The two couples always had such fun together. She missed my mother so much when she died - they were so close. We would share such wonderful stories and conversations about all the good old times. She was such a dear. She often would tell me and my children stories of when she grew up and we even incorporated some of her traditions into our holiday celebrations. I know that she is now with her beloved Al and my parents. They are most likely gathering their gardening tools and will be busy, happy to all be together again. Our family is heartbroken to learn that we have lost such a wonderful, gentle friend and we extend our deepest sympathies to each of you.*
