*I grew up with her daughter, Laverne and was often at their home. Ella was one of our 4-H Leaders and shared her sewing talents with us. They were our neighbors and we had so many happy memories.*

“ Randy and Dani, sorry to hear about your Grandmother, I always enjoyed talking to her after we were done playing music. I really enjoyed being her drummer for a couple of months before she quit playing bass, really going to miss her! Bob Klaus

“ John took me over to her house one afternoon. I thought I was only going to visit for an hour or so. We ended up staying ALL day and she convinced us to play board games all afternoon. I enjoyed that day.

*I LOVED watching her dance. She had moves in her 90's that I didn't even have in my 20's.*

*She was a very special lady.*

*Praying for the family during this difficult time.*
