“ *Dear family, Please except our deepest sympathy. There are a lot of great memories working with Elmer on the farm. I was just a kid back then but Elmer always treated me like a young man and made me feel a part of the work at hand. I know he worked many long hours to make sure dad's crops were harvested on time. Please know that God's grace will get you through these tough times and I hope to see you soon. Very Truly Yours, Daniel J. Triller & Family*
