Sandra, Betty, Lawanda -

My thoughts and prayers are with you at this time. Family memories are so wonderful to recall. While I was a "little" cousin compared to Elvera and you, Lawanda, I was one of the grandkids. To Sandra and Betty, I was nearer your age, so we played together. Our family was unique in that the generations melded together and we were all loved by the other generations. What a wonderful family to call "ours". My memories of Elvera are always of her smile and cheerfulness. She reminded me also of Aunt Emma with her caring and energy. Glad I got to visit with her the last time I was in MO. What a great visit we had. Just think of the reunion she had when she was welcomed into Heaven! Love to you all and may God give you strength as you move forward missing your sister and mother. Love to you all.
