“ *Elvie was a wonderful and fascinating woman; she is responsible for my lifelong love of traveling to exotic places! She subscribed to the National Geographic, and every time we came to visit, she would send me to the attic to read them...and in 2001, I found myself standing in an aboriginal cave in Australia, looking at petroglyphs that I had first seen in her attic! She was a great mom and wife...and will be missed! Blessings to all, Vicky Roth Hardy*
